

# OPITO Approval Announcement

**Occupational Safety Training, Inc.** is pleased to announce the addition of OPITO, approved BOSIET (Basic Offshore Safety Induction and Emergency Training) and FOET (Further Offshore Emergency Training) courses to our weekly training calendar.

## BOSIET Course Topics:

- Safety Induction
- Helicopter Safety & Escape
- Sea Survival
- Emergency First Aid

## FOET Course Topics:

- Helicopter Safety & Escape
- Emergency First Aid
- Fire Fighting/Self Rescue

The BOSIET course is a 3 day comprehensive program which utilizes both theory and practical training techniques. OPITO training is internationally recognized and is required in most regions throughout the world. The FOET course is a 1 day BOSIET refresher course.
